## AFROPLAST 2025: EXPANDING HORIZONS, CREATING OPPORTUNITIES

As regional demand for plastic, rubber, and non-woven technologies, raw materials and products continues to rise, AFROPLAST provides a highly lucrative export platform for companies seeking to expand their reach and establish strong footholds in Africa and the Middle East.

Gathering over 450 global brands from 27 countries, AFROPLAST is a powerful platform for manufacturers, suppliers, and industry professionals to connect, network, and explore unprecedented business prospects.

With more than 18,000 trade visitors from Egypt, the Middle East, and Africa AFROPLAST serves as a gateway to over 12 emerging markets, offering exhibitors direct access to buyers and distributors from some of the fastest-growing economies in the world.

For technology makers and products producers looking to secure new distribution channels, establish long-term partnerships, or launch innovative solutions, AFROPLAST is indeed the ultimate destination for businesses aiming to maximize their regional and global presence.

The previous edition of AFROPLAST exceeded expectations, generating mega business deals and record-breaking trade volumes. Exhibitors reported exceptional networking opportunities, direct engagement with high-level buyers, and increased brand exposure across multiple sectors, many companies successfully expanded their export activities, unlocking multi-million-dollar agreements with trade visitors from the entire African continent in addition to the Middle East region.

The coming edition of AFROPLAST is set to attract an even larger and more diverse audience, comprising key decision-makers, investors, and buyers actively seeking high-quality products and advanced solution providers.

From raw materials and machinery to cutting-edge technologies and sustainable products, exhibitors will have the opportunity to showcase their latest innovations to an engaged audience eager to adopt the next generation of plastic and rubber products; the event's strategic B2B criteria ensures that exhibitors will connect directly with the right partners, accelerating deal-making and business growth.

AFROPLAST is more than just an exhibition; it is a hub for industry transformation and innovation with a focus on sustainability, digitalization, and advanced manufacturing, the event highlights the latest trends and developments shaping the future of plastics and rubber industries in the Middle East and Africa.

## AFROPLAST PROMOTION CAMPAIGN

### **Media Campaigns**

With over two decades of experience in promoting a wide range of events in Egypt and looking after the media, the organizers are planning to maximize event coverage for AFROPLAST through extensive print & online media campaigns covering listings in both print and online directories, print advertising, online advertising, local press conferences and both print and online press releases.

### **Online Presence**

AFROPLAST will be given added value through an online presence with promotions through the official website, digital channels, online communities, email shots and digital advertisements to ensure that audiences have every opportunity to attend the event.

### **Mobile Marketing**

Mobile marketing promotions aimed at industrial visitors will spread the word on AFROPLAST keeping targeted audiences up-to-date and fully aware on why the event is the preferred meeting point for the plastics, rubber and non-woven sectors.

## PROMOTION CAMPAIGN

### **Social Media**

From daily show updates to sponsored posts, AFROPLAST news via social media outlets will reach out to target visitors across all essential channels, reminding them of all that is new and featured at the event this year.

### **Press Releases**

Ensuring that key journalists are kept fully informed with this year's content, features and attractions at AFROPLAST and making the news through a locally held press conference and schedule of press releases so as to keep the event in the mind of audiences and increase the show's visibility and awareness through announcements and updates.

### **Outdoor Promotion**

The organizers will also ensure that AFROPLAST brand receives maximum exposure through outdoor campaigns including billboard displays in prime locations and industrial cities to ensure that visitors get every incentive to attend the event.

### **Targeted Trade Invitations**

60,000 targeted invitations will be sent out to trade delegates & related members of the Industrial community prior to the event, ensuring they 'save the dates' for AFROPLAST to have adequate time to plan their visit in advance and arrange appointments for important discussions.
